Notes:	<p>Judge's name: _____</p> <p>Team member initial: _____ <i>Team member to initial after verifying times</i></p>
Best Time:	<p>_____ : _____ : _____ (M) (S) (1/100)</p>

- All Vehicles shall be touching the wall on the surface for the start.
- Teams must navigate their ROV through the 5 hoops of the course, surface the ROV, and return through the 5 hoops of the course.
- Vehicles must touch the wall on the surface to stop the clock.
- Place an "X" over an aborted Run on the scoring sheet.
- Add 2-minute penalty for each diver assistance needed. Stopwatch does not stop for diver assistance.
- Teams are allowed to service the ROV but the stopwatch does not stop.
- Copy fastest course time into the "Best Time" box.
- Review the final score with team members and have one member initial the score sheet.
